CEMETERY THIEVES.

It seems to be utterly impossible to prevent thieving in the cemeteries. No matter how close the watch maintained by the keepers, or how attentive to their duties they may be.

There is a general complaint that vases, flowers and small bric-a-brac placed in the burial lots, or upon the graves of the beloved departed, are stolen, almost as soon as left there. A well-known business man said yesterday that three weeks ago he put a nice flower vase upon a grave in his lot, and two days later when he went to replace the flowers he found that the vase had disappeared. He left the flowers, and when he carried a vase to put them in he found the flowers gone. Ladies and gentlemen who suffer through these depredations say that one of the thieves should be caught and without fear or favor given the fullest extent of the law, so as to make an example which would deter others from such conduct.

AMUSEMENTS.

WM. H. CRANE.

This ever popular comedian began an engagement of two performances at the Academy of Music last night, presenting "The Virginia Courtship." Tonight he will present his latest success, "The Head of a Family." The scene of "A Virginia Courtship" is laid in Fairfax county in colonial times. The play does not aim at historical accuracy. It is a romance. Its plot is a well told story of chivalric men and beautiful women, with all of its picturesque surroundings, embellished with appropriate scenic effects and costumes.

Mr. Crane as the gallant, improvident Major, was happily supplied with a character which afforded him great opportunities, and Mr. Crane is one of those actors who never fail to accept opportunities when offered. His company is a large one, and his support was all that could be desired.

To-night's performance will be up-to-date in every particular, the scene of "The Head of a Family" being laid in New York at the present time. The costumes are said to be the latest in vogue. Two of the leading ladies of the company, Miss Rachel Fiskins and Miss Gladys Wallis, did not appear last night, but will to-night, the "Head of a Family" requiring the entire company.

A GREAT FEAST.

Mrs. Sofia Scalchi and her company will appear at the Academy of Music in the Lyceum Course to-morrow evening, April 6th. Associated with Scalchi are other grand opera stars of established reputation. The Pittsburgh Dispatch writer said that the Scalchi Operatic Company was the best of its kind that had gone on tour in many years. The Portland Press commenced a column notice by saying that in many respects the performance given by Mrs. Sofia Scalchi and her associates excelled any musical entertainment given in that city in the past thirty years.

The prima donna soprano, Mlle. Helene Noddi, is a native of Chicago, but her operatic career up to this season was confined to Europe. Last season in London and Paris she was the rage, much to the delight of the American visitors. Signor Alberti, baritone; Signor Canzio, tenor; and Mr. Walter A. Pick, musical director, are other members of the company.

Two entire acts of grand opera will be presented in costume, with scenery, etc., and will be preceded by an operatic concert program. This magnificent entertainment closes the Lyceum Course for the present season, and will be one of the star attractions of the year. Tickets for non-members at the Academy box office.

Non-members to the Lyceum Course can obtain reserved seats for the Scalchi Concert, to be given in this city next Thursday night at the Academy of Music, by applying to the box office. Price, \$1.00. Admission will be 25c., 50c. and 75c.

Our line of Stick Pins is the largest to be found in the city, and at way-down prices.

THE GALE JEWELRY CO.

A Sloop Overturned.

A small sloop bound for the Nansemond river, capsized in a stiff blow of wind off the Lambert's Point coal pier yesterday afternoon at about 3 o'clock, and the four men aboard were thrown in the river. Luckily they caught the skiff towing astern and succeeded in getting aboard. They then cut loose the sloop's anchor and made her fast and got safely ashore at the coal pier, where they were warmed and dried. The names of none of them nor of the sloop were secured.

Trouser may be your only spring need. The variety of our line will make the problem easy.

A Very Disagreeable Day.

Yesterday was a very disagreeable day. The fall in the mercury was rapid during the early part of Monday night, but it ascended early Tuesday morning. About 11 o'clock snow in big flakes began to fall rapidly. This continued until 4 o'clock, when rain set in, falling for an hour. With the change from snow to rain there was another descent in the mercury, and last night the weather was decidedly cold. It was in reality a winter night, and the chill went to the marrow of bones. Warmer weather will no doubt prevail to-day.

ELECTION RETURNS.

DEMOCRATS WIN IN CHICAGO AND DENVER—LOSE IN NEBRASKA.

(By Telegraph to Virginian-Pilot.)

Chicago, April 4.—Carter H. Harrison was re-elected Mayor of Chicago to-day by a total vote of 145,914, against 107,304 for Zina B. Carter, the Republican candidate, and 35,401 for John P. Altgeld, the Independent Democratic candidate. Harrison's plurality, 39,610.

The Democrats have elected their candidates for the town offices in the North and West towns, the Republicans carrying the South towns, although the final count may take this from them. The returns at midnight, however, indicate that they have a safe majority.

The vote from the wards shows as far as it has been counted that the Republicans have elected fourteen Aldermen and the Democrats nine. The City Council has been composed of 45 Democrats and 23 Republicans, and the Democrats will without doubt retain working majority.

The election was entirely upon local issues, no elements of national politics entering into the campaign.

DENVER IS DEMOCRATIC.

Denver, Colo., April 4.—Henry V. Johnson, Democrat, has been elected Mayor of Denver by a plurality of about 3,000.

The straight votes alone have so far been counted and the returns from 75 out of 151 precincts in the city give Johnson, Democrat, 4,998; Gates, Rep., 3,352; Ames, Silver Rep., 3,309; McMurtry, Ind., 2,776.

BRYAN'S HOME REPUBLICAN.

Lincoln, Neb., April 4.—H. J. Winnett, Rep., was elected Mayor of Lincoln to-day by a majority of nearly 800 over A. H. Weir, Fusion. The Republicans elected their city clerk except one exclusive man, and elect six of the seven Councilmen.

At Beatrice the entire Republican ticket was elected.

Nebraska City is solidly Democratic.

SILVERITES WIN AT QUINCY.

Quincy, Ill., April 4.—The Democrats elected their city clerk by pluralities ranging from 100 to 1,000. The Republicans had nominated for Mayor Chas. H. Williamson, chairman of the State Central Committee of the gold standard Democrats. He was beaten by 1,000 after the warmest campaign the city has ever known.

AT HOT SPRINGS.

Hot Springs, Ark., April 4.—George Belden, the straight Democratic candidate, was elected Mayor to-day.

AT ST. LOUIS.

St. Louis, April 4.—Six members of the City Council (upper house), twenty-eight members of the House of Delegates and four school directors were elected here to-day.

The Republican Council ticket was elected by about 10,000 majority, and that body will still continue to be solidly Republican.

Was It Stolen.

A mule and wagon that belonged to Mr. J. P. Lambert, a Norfolk county farmer, that he left standing on the corner of Church and Union streets about 6 o'clock yesterday afternoon, was carried off by some unknown person, and at a late hour last night neither the mule or wagon had been returned.
